Projects

Online E-Commerce Store

PROJECT FOR WEB PROGRAMMING COURSE (CST8285)

- Designed a simulated space-themed store as a team of 3, using HTML/CSS, JavaScript, Git, Github, PHP, and XAMPP/Laragon.
- Experimented with Bootstrap framework for initial design, then decided on pure HTML/CSS to learn and practice fundamentals.
- Practiced soft-skills such as communication, feedback, organization, and project management.

Technical Report

PROJECT FOR TECHNICAL COMMUNICATIONS COURSE (ENL2019T)

- Problem-based proposal looking to solve the issue of imagination-to-reality interior design with the use of Virtual Reality applications.
- Completed a fictional report by collaborating with a team of 4, identifying clear roles for each member.

Experience

AllergySmart / Green Gourmand Foods Inc.   *Toronto, ON, Canada*

LINE OPERATOR   *Oct. 2019 - Oct. 2020*

- Assisted in the production of allergy-free cookies and brownies using bakery equipment and packing boxes to fulfill client orders.
- Adhered to proper food handling, sanitation, allergy, and safety standards, keeping facility and product safe and clean.
- Provided feedback to management in regards to production process and facility, optimizing production workflow and efficiency.

Conspiracy Pizza

Toronto, ON, Canada

PIZZAIOLO (PIZZA COOK)   *Aug. 2018 - Jul. 2019*

- Worked primarily as a dough topper and filled other roles (dough tosser, pizza topper, oven baker, cashier, and food prep) when needed, ensuring smooth operation of the store and production.
- Handled various ordering platforms such as call-in, walk-in, UberEats, and online orders simultaneously as a cashier to maintain courteous and prompt service to customers.
- Adhered to proper food handling, sanitation, and safety standards to keep store safe, clean, and presentable.

Freshii

Toronto, ON, Canada

TEAM MEMBER   *Jun. 2017 - Oct. 2017*

- Worked various roles including cashier, order production, and food prep to fulfill roles as needed by the situation.
- Worked at three downtown franchises over the summer, balancing shifts and moving product stock between locations as needed.
- Discussed and assigned roles with team, placing members in positions that they excel at to keep store operations running smoothly.
- Conducted cashier till balance counting regularly to ensure correct sales amounts are accounted for.
